Letter from the CLRG Chair

Welcome to the 2024 North American Irish Dancing Championships! It is both a pleasure and an honor to have you here as we embark on this remarkable journey of talent, passion, and camaraderie.

First and foremost, we express our gratitude to the IDTANA Southern Region for helping make this incredible event possible. Special recognition goes to the dedicated co-chairs Áine Walsh Kelley (TCRG), Owen Barrington (TCRG), Colleen King (TCRG), and Maddie Hane (ADCRG) for their outstanding efforts in organizing this year's NAIDC. Your dedication to bringing this event to fruition is truly commendable, and we are immensely grateful for your contributions. Additionally, our sincere appreciation goes to the staff of the Gaylord Texan Resort & Convention Center for their invaluable assistance.

As we gather for the North American Irish Dancing Championships, we not only celebrate the rich tradition of Irish dancing but also showcase the remarkable skills and dedication of dancers who have traveled from far and wide to compete. Your presence here exemplifies the enduring spirit of this art form and the unwavering commitment of each participant.

Together, let us create unforgettable memories and make the 2024 North American Irish Dancing Championships a truly memorable experience for all involved. Finally, I would like to wish all the participants the best of luck and look forward to witnessing your hard work displayed throughout the week!

Sandra Connick
Chairperson, CLRG

Letter from the IDTANA President

On behalf of the IDTANA Officers, I am proud to welcome you to the 2024 North American Irish Dance Championships. This is the first time that our NAIDC will be held in Texas and we are excited for our Irish Dance community to explore the fabulous Gaylord Texan Resort Grapevine. We cherish our relationship with the Gaylord and Marriott hotels and thank the staff in advance for what we know will be top notch service.

Join us in congratulating and thanking the members of the Southern Region of the IDTANA for the incredible opportunity and celebration that they are hosting this weekend. Please join us in commending the Southern Regional Director, PJ McCafferty, and Co - Chairpersons, Owen Barrington, Maddie Hane, Colleen King, and Aine Walsh Kelley, for the endless hours of time they have sacrificed and invested to ensure an enjoyable and professional experience for all attendees. Their work is a selfless gift to the Irish Dance community, and we are grateful.

Along with the IDTANA Officers, I congratulate each and every one of the dancers competing this weekend on your success in achieving your personal goal of qualifying to participate in the NAIDC. We wish you good luck and hope that you will enjoy this special week meeting new friends and creating priceless new memories with your families. We join with your teachers and parents to celebrate your dedication to Irish dance. Your enthusiasm and energy bring life to our sport and we will be cheering you on all weekend!

Please join me in thanking your teachers for their never wavering, constant commitment to you, their dancers, families and friends, throughout the year. Many of your teachers, our members and colleagues, will also be volunteering at this event and we thank you all for going the extra mile in support of the Southern Region and the 2024 NAIDC. As we celebrate our dancers and time together this weekend, please take a moment to remember our colleagues, teachers, friends and family members whom we have lost this year. May they Rest In Peace.

We also welcome our adjudicators, musicians, and vendors from around the world to the NAIDC! This international event celebrates the global reach of our shared culture and precious art form. Please take a moment to stop by the vendors tables and support these hard-working small businesses who are an integral part of our community.

It is my great pleasure to announce that the IDTANA is able to increase its Scholarship funding this year to \$30,000! Scholarships are a primary annual objective for the IDTANA and we are proud of the financial support we can provide for our dancers. We have introduced a new Scholarship Giving Program that is available to members of our community to further build Scholarship funding and we encourage all families and colleagues to explore our website at IDTANA.org for more information on how you can become a donor. I would like to take this opportunity to specifically mention and thank the fantastic team at Northwest Designs Ink who have again generously supported the IDTANA Scholarship program with another \$20,000 donation to this initiative this year. We are overwhelmed and grateful for our long-term relationship with Northwest Designs Ink and humbled by their support of our dancers in every region of the IDTANA.

So please indulge in this fantastic weekend. Marvel at our incredible dancers, tap your foot to the joyful live music, get the special photo, buy the commemorative t-shirt, thank a volunteer and remember time and events like these are precious. I join with my fellow IDTANA Officers and colleagues across North America to wish our dancers, families, friends, teachers, and organizers the very best of luck this weekend. You are all Champions and have already succeeded.

As I begin my final year as President of this amazing organization, I would like to offer special thanks to my Officers and colleagues for your support and your volunteerism. It has been the greatest honor to be your President and I cherish the experience and your friendship. Onwards and Upwards! Enjoy this celebratory weekend!

Lisa Petri

IDTANA President

Letter from the Regional Director

Céad Míle Fáilte and Howdy!

The teachers and adjudicators of the IDTANA-Southern Region welcome you to the first North American Irish Dance Championships held in the great state of Texas. We wish all the dancers the best of luck. We hope that you have a fun stay and go home with wonderful memories.

The 2023-2025 Southern Region Executive Board includes **Emma Burke, Vice Regional Director; Bill Maple, Past Regional Director; Christine Fry, Treasurer; Stacie Greiner-Reid, Corresponding Secretary; Áine Walsh Kelley, Recording Secretary; Jennifer Hale, Sergeant-at-Arms; Doug Westfall and Patrick McCarthy, IDTANA/CLRG Delegates.**

This event has been planned and organized by the dream team of Co-chairs: **Owen Barrington, Maddie Hane, Colleen Flanigan King, and Áine Walsh Kelley.** They met weekly for 18 months, and they are fully invested in the quality of every decision and plan they made. They received guidance and assistance from colleagues from other Regions especially Lisa Petri and the members of the IDTANA Executive Board, Michael Boyle, and Ryan Carroll. Thank you to Fr. Ryan Duns, S.J., for making a Roman Catholic Mass available during the event and for working as a volunteer throughout the week. I thank each Region for agreeing to run a stage every day for the entire week and for taking responsibility for an awards night.

This event requires an army of volunteers, most of them are dancing teachers and many are from Regions other than the Southern Region. The volunteers are following rules established by the teachers in IDTANA conventions. The rules are required to make the event safe and successful. We ask you to be tolerant and patient. Individual volunteers should be respected for giving up their time to try and make the event a success for all the dancers.

Many members of the Southern Region have dedicated hundreds of volunteer hours to plan and organize this event. Some of those who helped the Co-Chairs are: Myra Watters who helped guide the NAIDC team. Kristin Butke Zagorski who is managing the nightly awards ceremonies and helped raise money for awards. JR Walker helped with social media. Emma Cross helped with sponsorships. Erin Connolly helped with the competition room layouts. Lena Huffman helped with vendors. Judy McCafferty organized the Grade 11 & 12 Grade Exams. Aurora Averill facilitated on-the-ground logistics including receiving, storing, and delivering supplies for this event.

This event is made more successful by support service providers such as Bettina Sohnigen of QuickFeis, Aida Campbell and Donna Harrington of Maritz Global Events, Cormac O'Shea for supplying sound and stage lighting, Tim Johnson for supplying our stages, Daniel Moore for laying out this program book, and Steve Zagorski for managing awards.

We are incredibly grateful to Cameron McDonald and the team of the Gaylord Texan Resort & Convention Center for their guidance and assistance. They communicated with the Gaylord Opryland staff to learn tips and tricks from NAIDC 2023. They took the time to attend the 2023 Southern Region Oireachtas to observe how an event such as NAIDC operates.

We are thankful for the continued support of our vendors. Please be certain to make time to shop among them. They are here to provide you with essential products and services to help make this a good and successful experience for the dancers. Many of the vendors are consistent supporters of the IDTANA, the Regions, and local feiseanna. We are especially thankful for the support of Northwest Designs. They are a major contributor to the fund that pays for the annual IDTANA Cyril McNiff Memorial Scholarship Program.

Your trip to Texas can be so much more than a major Irish Dancing competition. I encourage you to find the time to leave the hotel and take the complimentary **Grapevine Shuttle Merlot Route** from the Gaylord Texan Tour Lobby and many of the overflow hotels into the city center. Many of the retailers have offered 'show your wristband' discounts.

The **Grapevine Convention and Visitors Bureau** has been a great resource and sponsor for NAIDC 2024. We are incredibly grateful to them.

I recognize and I applaud your love of Irish Dancing. I know the hard work and sacrifice you and your family make to compete. I wish you good luck, a fun trip full of great memories, and a safe journey home.

IDTANA-Southern Region

Letter from the NAIDC Chairs

On behalf of the chairpersons and the IDTANA-Southern Region, we are honored to welcome you all to the 2024 North American Irish Dance Championships!

For over a year now, countless volunteer hours have been expended in preparation for this monumental event, which we hope proves to be an overall enjoyable experience for all of our competitors and attendees. While the competition results will fall where they may, it is our sincere desire that everyone's journey to and from the North American Irish Dance Championships will be one of excitement, personal growth, and filled with incredible memories of family and friends that last a lifetime.

We are elated to host this year's event in another marvelous Gaylord property, only this time with a little "Texas" flair. Be sure to soak in the unique and beautiful décor, taste the delicious variety of restaurant offerings, and take a dip in the Paradise Springs Water Park to cool off from the Texas heat - all right here at the Gaylord Texan Resort & Convention Center.

Add "explore historic downtown Grapevine" to your to-do list while visiting on your trip. Catch the free shuttle from the Gaylord Texan to this quaint little town and discover a treasure trove of family-friendly activities, restaurants, shopping, wineries, and more. Through the partnership and sponsorship of the Grapevine Convention & Visitors Bureau, simply show your event wristband to any Grapevine establishment that is participating in our "Show Your Badge Program" in order to receive discounts and special offerings just for you!

This year's awards are very special. Made right here in Grapevine at the Vetro Glassblowing Studio & Fine Art Gallery, we are extremely proud to both support a local small business and provide a gorgeous piece of art for our top placing competitors, with custom blown glass bowls and yellow roses. You can't get any more "Texas" than that!

We are excited to again offer the very popular Traditional Set Dance competitions, as well as the 4-Hand Team competitions that were first introduced last year. New this year, we are thrilled to host the inaugural debut of the Advanced Adult Solo Championships, and based on the entry numbers, we see a bright future for all of our adult dancers throughout North America and beyond.

Without the generous and enthusiastic support of both our vendors and event sponsors, holding this colossal and prestigious international competition would not be possible. Please help us express our immense gratitude by visiting their vendor booths and tables throughout the convention center and the floor above. They will greatly appreciate your support and patronage, as they work to ensure the dancers look and feel their absolute best on their big day.

As a volunteer organized and run event, the North American Irish Dance Championships would not be feasible without the willing and unwavering volunteer support from our Irish dance community. We the chairpersons acknowledge and appreciate the incredible help and assistance we received from so many giving individuals in helping us bring this event from a dream to a reality. Our Regional Director PJ McCafferty, the Southern Region Executive Board, the IDTANA Executive Board, and countless teachers, staff, parents, dancers, friends, and family members have all unconditionally given us their time, effort, knowledge, and support to deliver this to fruition. We are eternally grateful to you all, and you are living proof that "if there is a will, there is a way," and nothing is impossible so long as you have the right people by your side.

Lastly, we wish to extend the very best of luck to all of the dancers and schools competing this week. The work is done, and now is your time to shine. Give it your best, forget the rest, and relish in the experience of doing what you love with those who love you most.

Sincerely,

Syllabus Information

Syllabus

Where the syllabus for the North American Irish Dance Championship and the IDTANA Rule Book are both silent on an issue, it is understood that the rules as found in the 2024 syllabus for Oireachtas Rince na Cruinne, as published by An Coimisiún le Rincí Gaelacha (www.clrg.ie), shall apply.

Should a published North American Irish Dance Championship syllabus be found to be in conflict with a CLRG rule that is announced AFTER said publication, the IDTANA will request an exemption from this new conflict. [IDTANA/2015]

The NAIDC Committee reserves the right to change or adjust the syllabus to remain in compliance with CLRG and IDTANA rules, policies, or procedures that change before the event.

Inclusivity Statement

As a core value, the Irish Dance Teachers' Association of North America, Inc., IDTANA, is committed to preserving and promoting Irish Dance in an environment that is inclusive and free of discrimination and harassment. We support a culture where every dancer, family, teacher, and volunteer feels safe, respected and valued through creating an environment that provides dancers, regardless of age, ability, ethnicity, gender, gender identity, income, race or sexual orientation, opportunities to learn and grow as dancers and people. People of all ages benefit from the physical, mental, and social aspects of Irish Dance, and the IDTANA is supportive of including all those who want to learn and or compete. (7/2022)

Rotations

- Dancers must follow the rotation as provided and notify the Stage Manager of any potential conflicts or emergencies BEFORE the dancer's rotation occurs.
- In the case of a medical emergency, dancers will be allowed to dance at the discretion of the Stage Manager and chairs of the event at a later time in the competition.
- HOWEVER, a dancer who is checked-in but is not present to dance at the appropriate time will be disqualified from that round. [IDTANA/2006]

Competitor Numbers

- Competitor numbers and starting numbers will not appear in the program book. Only the names of the registrants, listed in dance order, will be printed.
- Competitor numbers will be posted online and on the free QuickFeis phone app 45-60 minutes prior to the start of the competition, after adjudicators for that competition are sequestered without any access to phones, smart watches, etc. It is at this time that dancers (or someone nominated by them) may begin to collect competitor numbers.
- Competitor numbers not collected once the competition commences will be destroyed, and those dancers will not be permitted to compete.

Scoring

All IDTANA rules shall apply to these Championships.

- When the first two rounds of a Solo Championship (including Adult) are complete, the extended-Irish points system will be used to rank the competitors in order of merit.
- 50% of the participants will be recalled to perform a set dance in all competitions of twenty-one (21) or more dancers.
- For competitions with twenty (20) or fewer dancers, all participants will be recalled.

NOTE: A dancer must be recalled in order to perform their set dance. Any dancer who does not complete the first two (2) rounds of competition cannot be recalled to dance the third round. [IDTANA/2009]

NOTE: Any dancer who does not complete the third round of a competition will automatically receive ZERO marks for that round and will only be eligible to feature in the award ceremony as a recalled dancer. Any points allotted to that dancer from the first two rounds shall remain with that dancer. [IDTANA/2017]

NOTE: Where an adjudicator deems that a dancer failed to complete their performance in any given round, that dancer must receive ZERO marks by each adjudicator in that round. [IDTANA/2009]

The Extended Irish Points system will be utilized for all competitions.

ALL scores will be verified and signed off on by each adjudicator before any ranks are determined for each round.

Solo Competitions:

- Each round will be adjudicated by a rotating panel of five (5) adjudicators.
- Each round will be tabulated, and Irish Points will be assigned to each dancer.
- Each dancer's highest and lowest Irish points awarded will be dropped.
- Irish points will be added from round 1 and 2 and then ranked.
- If there are 21 or more dancers in the competition, the top 50% of those ranked will qualify for recall.
- The third (set) round will be calculated like round 1 and 2 (dropping high and low Irish points).
- Each dancer's Irish points from all three rounds will be added together, then dancers will be ranked to determine the winner.
 - In each round, a dancer will accumulate a maximum of 300 Irish points.
 - In each competition, a dancer may accumulate a maximum of 900 points.

Traditional Sets and Team Competitions:

- Each competition will be adjudicated by a panel of five (5) adjudicators.
- Each competition will be tabulated, and Irish Points will be assigned to each dancer or team.
- Each dancer's or team's highest and lowest Irish points awarded will be dropped.
- All Irish points for each dancer or team will be added together, and then the dancers or teams will be ranked to determine the winner.
 - In each competition, a dancer or team may accumulate a maximum of 300 Irish points.

Awards

- All dancers shall receive a participation item.
- All recalled dancers in Solo Championships (including Adults) shall receive an official IDTANA medal, which will be presented on stage at an official award ceremony. A minimum of 25% of the solo participants will also receive an event-specific award.
- For traditional set competitions with twenty (20) or fewer dancers, and in the U7 category, all participants will be awarded. For competitions of twenty-one (21) or more dancers, 50% of the participants will be awarded.
- For team competitions with five (5) or fewer teams, all participants will be awarded. For competitions of six (6) or more teams, 50% of the teams will be awarded.
- In all cases, the number of awards will be determined by the actual number of participants (not the number registered), and calculations will be rounded-up. All dancers (solo and team) must be in full costume to receive awards on stage, and all dancers are responsible for their awards following the presentation. The NAIDC 2024 Committee will not replace any lost or damaged awards.
- First-place winners in Solo Championships (including Adult) will receive a perpetual award, which requires the signing of a release form by a Parent/Guardian (or Dancer, if aged 18 or older). It is not mandatory to sign the form; however, if the form is not signed, the award will not be issued.
- Teachers' awards will be given to all 1st, 2nd, and 3rd place winners in all team competitions, and also to the teachers of 1st place solo winners. [IDTANA/2002]

Costuming

- Current CLRG directives will be applied and enforced. Please refer to the CLRG Rule Book and website for the most current rules. (www.clrg.ie)

Carriage Aids

- Current CLRG directives will be applied and enforced, which, at the time of publication, includes a ban on using any non-medically prescribed devices.

Makeup

- Current CLRG directions will be applied and enforced, which, at the time of publication, includes a ban on makeup, false lashes, and/or facial tanner for dancers in solo and team events in the U8/U9/U10 categories. [CLRG/2014]

Mishaps

- Adjudicators will be instructed to ring a bell to stop the performance when the health and/or safety of a dancer (in solo or team events) is at risk, due to collision with another dancer, injury, or falling, and adjudicators will be instructed to use their best judgment in the case of open laces, shoes falling off, or issues with costumes/accessories. Should a dancer lose a heel or an entire shoe, they may stand at the back to allow the other dancer(s) to complete their performance, and they will be permitted to re-dance without penalty when deemed practical by the Stage Manager.
- Should, at the opinion of the Stage Manager, the NAIDC 2024 Committee, a medical professional, and/or the adjudicators, a dancer be deemed unfit to re-dance, and a dancer/parent insists on doing so, a waiver exonerating the IDTANA, the IDTANA-Southern Region, Inc., and the NAIDC 2024 Committee from any and all liability must be completed and signed by the legal parent and/or guardian of the dancer (if under the age of 18) before the dancer may re-dance. Any repeat incident which results in the dancer being unable to complete the required number of bars for that dance will result in the dancer having to withdraw from the event.
- If the judges ring the bell to stop a performance during the last eight (8) bars in Round 1 or Round 2 of a solo championship, the dancers will only be required to dance the last 16 bars of that dance. If the judges ring the bell to

stop a performance during any part of an open solo set dance or traditional set dance, the dancer will perform the entire dance for their re-dance.

- Where feasible, the dancers will be brought back to re-dance no sooner than three rotations later, and no later than five rotations later. Dancers so affected by the bell being rung and permitted to re-dance will be marked at the discretion of each adjudicator.
- A competitor who exits the stage during a performance, unless instructed to do so by an adjudicator, will receive ZERO marks for that particular round by each adjudicator.

Mischief

- Any person caught damaging property (whether private property or that of a hotel/venue or the hosting organization) will be requested to leave the premises immediately and will not be permitted to attend any remaining events at these Championships.
- All parties involved will be billed for damages.
- Parents/Guardians will be fully responsible for the whereabouts and the actions of their children.
- The IDTANA, the IDTANA-Southern Region, Inc., the NAIDC 2024 Committee, and its associates, or any hotel/venue owners will not be held responsible for personal injury, property damage, theft, loss, or any claim.

Side Stage Area

- Teachers and dancers wearing clothing depicting their school's name will not be allowed side-stage at major events in North America to interact with competitors once they are in line to compete and/or to greet dancers at the other side of the stage after their performance, if they are within the line-of-sight of the adjudicators. [IDTANA/2013]

Filming/Recording

- Use of video recorders, movie cameras, camcorders, and/or any camera/cell phone that is capable of taking videos will not be permitted during competitions, except for news media as approved by the NAIDC 2024 Committee. Further, no flash photography will be permitted during competitions, other than by the official photographer and live streaming service provider.
- Please note that by submitting an entry to the event, all entrants acknowledge their agreement to abide by the live streaming rules for the event, and thereby remove the IDTANA, the IDTANA-Southern Region, Inc., the NAIDC 2024 Committee, and its associates from any liability associated with the same.
- By entering the event, dancers have opted into participating in Live Streaming during competitions and at awards. There is no option to opt out as the Region has contracted for Live Streaming for the event in its totality.

Appeals

- Legitimate complaints must be submitted to the NAIDC 2024 Committee IN WRITING AND SIGNED within one hour of the alleged incident, by a CLRG-registered individual.
- Such complaints must cite the specific rule(s) in dispute, include a brief summary of the incident, and be accompanied by a USD \$160 cash fee.
- If the appeal is upheld, the fee will be returned.

Decisions

- All decisions made by the NAIDC 2024 Committee and/or the adjudicators, in accordance with the rules for this event and all IDTANA rules, will be final.
- **The IDTANA and the IDTANA Southern Region reserve the right to refuse admission to and remove persons from our events. The NAIDC is a private event.**

World Champion & Mindset Coach

Ever hear that general advice of not letting the nerves get to you, or the need to control your emotions, but don't know where to start? Mindset work is about finding your unique HOW to get those skills into your toolbox.

It's not easy. It takes work.
But ask any champion and they'll tell you their mental game is a core fundamental of their success.

**At 17, I went from one of the last in my
competition to 6th in the World...
in one year.**

4 years later I won the World Championships.

**I toured with both Riverdance and
Lord of the Dance for years.**

**It's now become my greatest passion to help
dancers unlock their potential.**

**Whatever your goal is, your mental game and
your mindset is either going to
help you or hurt you.**

Which one do you choose?
