Welcome to the 2024 Southern Region Oireachtas and Mini-Feis. All the teachers and adjudicators are happy you are here. We wish you the very best of luck. We hope your trip is safe, fun, and rewarding. The memories you make this weekend will stay with you for your entire life. This Oireachtas is the result of the hard work of Maureen Armstrong, Kristin Butke Zagorski, and Christina Deacy. They have planned a great event for you. They are leading an army of teachers and adjudicators who will work all weekend so that you have a great experience. Adding the role of Co-chairperson for the Southern Region Oireachtas to one's family and career life is a great personal sacrifice. Please be certain to thank them when you see them.

Join the Southern Region as we celebrate the career success of our colleagues who are being honored this weekend

Celebrating 25 years as a TCRG are:

Deborah Bristol T.C.R.G. Rhythm of Ireland School of Irish Dance

Laureen O'Neill-James ADCRG is celebrating the 60th Anniversary of her certification as a TCRG! Imagine teaching Irish Dancing for 60 years. Our friend Laureen O'Neill-James was certified as a TCRG on October 1, 1964 in her homeland, Scotland. She is the daughter of an Irish Dancing teacher, Peggy O'Neill, ADCRG. Laureen has been an important and influential leader. She was the first Southern regional Director. She started the Nation's Capital Feis held in the Washington DC area each July. We are delighted for Laureen and look forward to her continued contributions to the Southern Region.

My sincerest Thank You, go raibh maith agat, to all the dedicated teachers and adjudicators of the Southern Region. It has been an honor to be your Regional Director.

LETTER FROM THE CHAIRS

We are pleased to welcome you to Orlando, Fl, and present a full program of competitions. We feature the best in solo, team and traditional set dance events. We are delighted to again introduce our future Irish dancers to our 2nd Mini-Feis.

This year, we have many honorees celebrating various milestones in their dancing careers. We congratulate them and thank them for their volunteer service and for their commitment and dedication to Irish dance. We want to offer a special congratulations to Laureen O'Neill James on 60 years of teaching Irish dance to which we have all been a beneficiary. We are very fortunate to have her as part of our Southern Region including being our first Southern Regional Director.

Our 25 year members are an integral part of our region as well. Without them, Irish dance would have a void. Thank you to: Debbie Bristol, TCRG, Meighan Carpenter, ADCRG, Mary Moran, TCRG, Nicole Bayhurst Sack, ADCRG, Denise Fumagali, TCRG

We would like to thank the Southern Region's officers who work tirelessly as volunteers in representing our region Nationally and Internationally.

Thank you to our Esteemed panel of adjudicators and World class musicians for joining us this weekend. We appreciate all your talents and expertise.

Thank you to the vendors who support our event each year. Please visit them and give them your support. Their financial support is important for the continuation of our Oireachtas.

A tremendous amount of work goes on behind the scenes to bring this Oireachtas to fruition. It has been an honor to work alongside our regional Director, PJ McCafferty, who has provided great insight along the way. Many other people are involved in making this event happen including the hotel staff, the stage builders, the lighting and sound providers, the tabulation team, the videographers and photographers, the awards team, the volunteer coordinators, the program developer, the social media team, local teachers who have served as point people on the ground, and many others. We are all truly grateful for the efforts you have put forth.

Thank you to the parents who support their dancers in Irish dance. While it may seem stressful at times, it is a lifetime memory.

Finally good luck to all the dancers this weekend. Many hours of practice have prepared you for this weekend, and now all you can do is leave your best on the stage, and hopefully reach the goals you have set for yourself. Not everyone will be on the podium at the end of the day, but EVERYONE can take pride in doing their best.

Sincerely,

Christina Deacy, TCRG
Maureen Armstrong, ADCRG

OIREACHTAS HONOREES

Laureen O'Neill James TCRG, ADCRG

Rugtha don Rince Born to Dance

For my ancestors I keep the dance alive
Their traditions I hold precious
Their memories I will cherish forever
Their blood pulses through my veins
They live in me, and through me "They dance on."

Laureen arrived in the United States of America at age 22 as the Scottish Adult Irish Dancing Champion. Prior to her arrival here, she had a distinguished competition career. She won her first medal at age five, going on to win the Scottish Championship at every level (Minor, Junior and Senior) several times; a total of 25 championships, among them the Cross Channel Championship at the Father Mathew Feis in Dublin; and 263 medals. Her 4-hand team, which included her brother Frank, won the "All-Ireland" in the Mansion House in Dublin in 1963, the first non-Irish born team ever to win a figure dance competition in the All-Ireland.

In 1964, just before emigrating to the USA, Laureen was encouraged by her mother Peggy O'Neill to become a T.C.R.G. Laureen passed the exam and was registered in the Irish Dancing Commission in Dublin by Seamus Mac Con Uladh. Laureen has emulated her late mother in many ways. She qualified as ADCRG in Dublin in 1976 and has adjudicated at several Oireachtais and World Championships. She was appointed the first regional director of the Southern Region of the Irish Dancing Teachers Association of North America (SR-IDTANA). Laureen leads the Nation's Capital Feis and "All-American Championships," which just celebrated its 35th year.

Her two sons Freddie and Robbie followed in her footsteps by winning their first medals at the age of four, winning their own championships and competing in the world championships in the Mansion House in Dublin in 1983.

Laureen and her dancers have performed for Presidents, Prime Ministers and Cardinals. Laureen and her students formed an honor guard for President and Mrs. Clinton and their guests, including Michael Flatley, as they arrived for a gala event at the White House on Saint Patrick's Day just after the Good Friday Agreement was signed in 1998. Hilary Clinton featured two of the dancers from the O'Neill-James School in her book *An Invitation to the White House*.

Laureen and her husband, Fred, hold several ballroom dancing titles, including former Canadian Jitter-Bug Champions, and are recognized in the ballroom dancing field as accomplished professionals with a great reputation. Fred was chosen as the choreographer for the movie *Dance with Me*, while Laureen was asked by The Irish American Club to teach William Hurt an Irish Jig for the movie *Broadcast News*. They are listed in the Executive Professional Section of the Global Register's Who's Who.

A woman of few words, Laureen lets her feet do the talking.

OIREACHTAS HONOREES

DENISE FOSTER FUMAGALI, TCRG

Denise Foster Fumagali, TCRG, grew up in northern Virginia immersed in ballet, tap, jazz, and Irish dance as well as in music and theatre. She is proud to have danced in the World championships under the tutelage of the late Maureen Malcom, ADCRG, in Virginia, and Michael Smith, ADCRG, and Noreen Smith, ADCRG, from Boston. With a B.A. in Elementary Education from the College of William and Mary, Denise taught kindergarten and first grade for over a decade before founding

Applause Applause Performing Arts Center and the Aoibhneas an Rince Irish Dancers.

She is also certified by examination to teach the Cecchetti Method of Ballet. Proud wife to Raul and mother to Alanna and Liam, Denise has returned to the elementary classroom as a Music specialist and now teaches at Kristin Butke Irish Dance. A lifelong learner, she recently earned her level I Arts Integration Specialist certification from the Institute for Arts Integration and STEAM. Denise continues to feel privileged to be able to share her passion for everything arts and Irish culture with the next generation.

OIREACHTAS HONOREES

Mary Mooney-Moran, TCRG

Mary Moran-Mooney is a first-generation Irish American born in Chicago, Illinois. Mary was trained by Pat Roche, TCRG and his daughter, Peggy Roche-Boyle, ADCRG. The fourth of seven children, Mary began her career performing with her family's Irish show band, "The Moran family band" and learned to play piano, bagpipes, Irish harp, guitar, clarinet and tin whistle, sing and showed a special affiliation for Irish Dance.

Frequent visits to Ireland kept Mary close to authentic Celtic arts and as a teenager, she represented Chicago in 1984 as international Irish Heritage "Rose of Tralee" pageant.

Mary is a graduate of Northwestern University College in Evanston, IL. She moved to Nashville in 1988 to pursue an entertainment career and established the "Nashville Irish Step Dancers" in 1990, the first Irish Dance school in Middle TN.

Mary has trained and developed many Regional, National and World champion dancers as soloists as well as team, choreography, and dance drama competitors throughout the years.

Having a performance background – Mary enjoys the balance between competition and performance and produces their school's annual production of "Celtic Rhythms on Fire" every March in addition to performing on the Grand Ole Opry every St. Patrick's Day for the past 25 years. Mary was honored to choreograph and perform in the video "Prayer Anthem" for Christian artist Carman. She also choreographed and had her dancers perform in many country music videos over the years.

Mary loves working with her students and feels blessed with all the friendships she has made in Irish dance over the years and believes at the end of the day it's not about the awards but rather the journey and the relationships you have made along the way. Mary credits her parents, Joe and Mary Moran with instilling a strong work ethic, discipline and a love of Irish dance and music into all their children. So grateful for being an honoree at the 2024 Southern Region Oireachtas. Truly blessed!

OIREACHTAS HONOREES

Nicole Sack Bayhurst, ADCRG

Nicki started dancing in Pittsburgh when she was nine years old under the instruction of Tessie Burke. Truth be known, she wasn't enthusiastic about dancing; it was her sister who wanted to try it out. After visiting a class and seeing that no one was required to wear a pink tutu or tights, she decided to give it a try. The rest is history. Nicki danced through high school, qualifying for both the National and World Championships. Money was tight; however, Nicki was determined to compete at the world level. She spent months selling candy and submitting essays to writing contests to raise money to compete. In 1988, she traveled to Galway and had the opportunity to dance on 'the big stage'.

Nicki went to college in Cleveland, Ohio, not too far from where Tessie had a class. She was persuaded to dance on teams for a few years while in college but eventually stopped dancing when she moved to Germany as an exchange student. After graduating from John Carroll University, Nicki moved to Washington, D.C., which is known for its high cost of living. She needed to supplement her income to pay off her student loans. She found some fliers in an Irish shop advertising a new Irish dance school in the area. This is where she began her affiliation with the Culkin School of Traditional Irish Dance.

She taught with the Culkin School for approximately 20 years and has fond memories of past performances at the Kennedy Center, former dancers' accomplishments (which there were many), and the lifelong friendships she made. Teaching dance was and always will be an important part of her life. In 2007, Nicki passed her ADCRG, which has allowed her to continue her Irish dance journey from an entirely different perspective.

Nicki would like to congratulate and thank the hard-working Southern Region Oireachtas Committee, who organized this fabulous event! She'd also like to thank Tessie Burke, who instilled the importance of the basics in all her dancers! It is an honor to be recognized for this 25-year milestone!

OIREACHTAS HONOREES

Deborah Bristol, TCRG

Debbie Bristol TCRG, started her Irish Dancing career at the age of 6 in Boston, Mass. Her Dublin born mother Rosanna, inspired Debbie at an early age. As a successful champion dancer, Debbie danced under the direction of Josephine Moran ADCRG. Miss Bristol became an accomplished dancer at a time when Irish Dance was mainly in Ireland and had just started to become global. Debbie was the 1st Irish Dancer in Hampton Roads to be awarded her TCRG designation from An Coimisuin le Rinci Gaelacha (CLRG) Dublin, Ireland. The CLRG is the largest and most prominent Irish Dance organization in the world.

Miss Bristol was also the 1st certified Irish dance teacher to bring the exciting world of Irish Dance to the Hampton Roads area over 27 years ago. At the time, it was a location that wasn't quite sure what this amazing art form was all about. That has all changed since Debbie founded the 1st Irish dance school...the Rhythm of Ireland School of Irish Dance!

Miss Bristol was also the 1st to bring a sanctioned Irish Dance competition to the Hampton Roads area with the Rhythm of Ireland Feis held in Williamsburg, Virginia for the past 24 years exceeding over 700 competitors from all over the USA. The ROI Feis is hosted by the Rhythm of Ireland Booster Club, a 501(c) 3 organization.

Miss Bristol has trained some of the most successful Irish dancers including World medalists, North American Champions and medalists, Regional Solo Champions, World qualifiers as well as dancers that were picked for major Irish Dance Shows including Celtic Fyre at Busch Gardens Williamsburg.

Debbie is an innovative, certified Irish dance teacher and provides a safe and encouraging dance environment for all ages and all levels!

OIREACHTAS HONOREES

Meighan Carpenter, ADCRG-BG

Meighan Carpenter, ADCRG/BG, is known by her students for her unwavering commitment to each dancer's individual journey, as well as for fostering a sense of belonging within her dance community. Emphasizing each student's personal growth, she has dedicated herself to nurturing the talent of hundreds of dancers, young and old, while encouraging each of them to embrace their unique experience in Irish dancing, whatever that may be.

Leading by example, Meighan forged an unorthodox path through the sport, only discovering Irish dancing while majoring in theater at Northwestern University in 1996. After competing at one Oireachtas in 1998, she earned her TCRG in 1999, and founded her school, Inis Cairde, in Raleigh NC. In 2012 she became the first certified adjudicator (ADCRG) in the state of NC, as well as the state's first certified grade examiner (BG) in 2024.

Over the last 25 years, her dancers have achieved multiple world medals, as well as North American titles and podium placements, multiple Oireachtas titles in both solos and teams, and a North American title and 2nd place globe in Dance Drama. Respected by her colleagues, she served for eight years on the Southern Region Executive Board, including a term on the region's Ethics Committee, and judges regularly throughout the country.

She will be forever grateful to her earliest teacher and mentor, Sandra Connick, ADCRG, for her support and guidance as North Carolina was finding its way in the newly-established Southern Region. She also thanks the region's earliest board members, especially Russell Beaton, Mary McGinty, Judy McCafferty, and the late Una Ellis for creating a community where newer, less experienced teachers were welcomed with open arms and encouraged to pursue their dreams. And last but not least, Meighan would like to thank her #1 fans: her husband Kevin, and sons, Sean and Iain for their unconditional support, love, and sacrifice these past 25 years.

As she celebrates this milestone, Meighan looks forward to inspiring the next generation of dancers toward their respective goals, all while continuing to help them forge lifelong friendships through the art of Irish dance.

Here's to 25 years of joy, connection, and individuality in the words of Robert Frost:

"Two roads diverged in a wood, and I—
I took the one less traveled by,
And that has made all the difference."

2024 SRO Mini Feis

FRIDAY Dec 06, 2024 - 11:30 am start

Please note that all the Oireachtas stages will be split in two and are renamed by a letter of the alphabet. Dancers will be dancing between the same split stage - so there are no conflicts!

All results will be posted online on QuickFeis website - click on the LIVE STAGE SCHEDULE in the FEIS section. Once all your results are posted, please go to SOUTH REGISTRATION DESK to find your awards bag! ALL dancers will receive a bag with a printed copy of their personal results including any comments the judges might have given.

Wishing everyone a wonderful time and best of luck!

GENERAL COMPETITION RULES

CHECK-IN

Dancers must report to the stage manager at least 30 minutes prior to the scheduled start time for their competition, to collect their competitor number. This will be the dancer's number card for all three rounds.

- Numbers of the starting competitors for each round will be drawn prior to the competition.
- Dancers must follow the rotation as listed in the official program book.
- Once the first dancer has commenced, late arrivals will be disqualified and will not be permitted to dance.
- If a dancer misses their rotation in the second round, they will not be permitted to dance, will receive zero for that round, and cannot be recalled to the third round.
- If a dancer misses their rotation in the second round, they will not be permitted to dance, will receive a zero for that round, and cannot be recalled to the third round.
- If a dancer misses their rotation in the third round, they will not be permitted to dance, and they will not be eligible to be recognized in the awards, except as a recalled dancer.

DANCES

All solo championship competitors will dance the first two rounds as stipulated in this syllabus for each solo championship competition. In age groups U16 and older, dancers will perform the hard shoe round two at a time. U15 and younger age groups will perform hard shoe round three at a time. All soft shoe rounds will be danced 2 at a time. Competitors who are recalled to the final round will dance a set dance of their own choice, except where noted that a dancer must perform their choice of a traditional set only at the stipulated time signature. All set dances in solo championship competitions, including traditional set dances in the younger age groups, will be danced one at a time. Traditional Set Competitions will be danced three at a time.

STAGES

All stages will be examined at the commencement of each event by the Oireachtas Committee, stage stewards, or the adjudicators.

ROTATIONS

The draw for starting dancer will be done randomly and posted. The starting number for Round 2 will be 1/3 of the competition added to the first round's starting number. The starting number for Round 3 will be 1/3 of the competition added to the second-round starting number. Dancers must follow the rotation as listed in the official program book.

GENERAL COMPETITION RULES

ADJUDICATING SYSTEM

Solo championships will be judged by a panel of five adjudicators and there will be a different panel for each round. Tabulation will then drop the highest and lowest rank received by each dancer, on that round. When dancers receive their results, they will be able to see all five adjudicator's raw scores. However, their total Irish points for each round will only reflect the dancer's result from three of the five adjudicators.

SCORING/RECALLS

When the first two rounds in a championship have been completed, the official points system will be used to place the competitors in order of merit over the two rounds. On the basis of that order of merit, one half of the number of competitors who danced will be recalled for the set- dance round. The number of recalls will be based on the number of dancers who are present on stage for both the 1st and 2nd rounds of the competition. In the case where twenty or fewer dancers compete, all dancers will recall. When twenty-one or more dancers compete, then 50% of those dancers will recall.

Any dancer who does not complete the first 2 rounds of a competition cannot be recalled to dance in the third round. In all competitions only recalled competitors will perform their set-dances. A dancer who fails to complete all three rounds of a championship is not eligible to be recognized in the awards, except as a recalled dancer. Any points allotted to the dancer will stay with the dancer. Where a dancer fails to complete his / her performance in any given round, that

dancer will be given zero marks by each adjudicator for that round.

AWARDS

All dancers (solo and team) must be in full costume and correct shoes for the award ceremonies. Estimated award ceremony times will be listed in the program book, but they are subject to change. The number of awards for each event will be determined by the number of dancers/ teams who actually compete in that event. NOTE: Dancers are responsible for their awards after the awards presentation(s). The committee will not replace any damaged or lost awards.

DECISIONS

All decisions made in accordance with the rules of this event and all IDTANA rules are final. All decisions made by adjudicators, in accordance with IDTANA rules and the rules for this event, are final.

GENERAL COMPETITION RULES

APPEALS

Legitimate complaints must be submitted to the IDTANA -Southern Region Oireachtas Chairpersons or the Regional Director IN WRITING by the dance teacher involved. All such appeals must be submitted no later than one hour after the completion of the competition in question and must be accompanied by a \$50 fee (U.S. funds only, cash only) which may be returned if the complaint or appeal is upheld.

SCHEDULE

The IDTANA-Southern Region reserves the right to limit or postpone any event. It also reserves the right to make changes or adjustments to previously announced schedules or timetables as necessary.

REFUSALS

The IDTANA-Southern Region reserves the right to refuse any entry.

SIDE-STAGE

Upon completion of each solo round or team event, friends, family members or teachers are not permitted side-stage or within eye view of the adjudicators to greet the dancers. They must wait until the dancer(s) has/have reached the seating area. Those found breaking this rule may be asked to leave the ballroom.

MISCHIEF

Any person caught damaging property (whether private property or that of the hotel and/or organization) will be requested to leave the premises immediately and will not be permitted to attend any remaining events during the championships. All parties involved will be billed for damages. Parents/ guardians are responsible for the actions of their children.

PHOTOGRAPHY

No video recorders/cameras, movie cameras, or camcorders will be allowed in the competition halls, except for news media/ official photographer/videographer as approved by the committee. No flash photography is permitted during competitions. No photography is permitted while any dancer is in motion by any device.

GENERAL COMPETITION RULES

MISHAPS/LOSS OF SHOES

Should a dancer fall on stage, an adjudicator MUST ring the bell to stop the performance of the dancer(s). Dancers so affected will be permitted to re-dance and will be marked at the discretion of each individual adjudicator. If, in the opinion of the stage steward, having obtained medical advice if necessary, a dancer might be deemed unfit to re-dance, and if such a dancer insists on their right to compete, then the dancer concerned will only be permitted to re-dance on completion of a declaration form exonerating IDTANA – Southern Region of liability for any consequences. Any repeat accident/ incident which results in that dancer being unable to complete the required number of bars of any round, will result in the dancer withdrawing without question from the Championship.

If a dancer falls during the last eight (8) bars of any performance, then, at the discretion of the panel, they may only be required to dance the last sixteen (16) bars. Where feasible, dancers will be brought back no sooner than three rotations, and no later than five rotations. Should a dancer lose a heel or a complete shoe, or their shoe breaks, they may stand back and allow the other dancer(s), where applicable, to continue dancing uninhibited. In such a case, the dancer(s) will be permitted to redance as soon as it is deemed practical by the stage steward.

A competitor must not walk off the stage during a performance unless instructed to do so by an adjudicator. A dancer who dismisses himself/herself from the stage without the permission of adjudicators will not be marked for that particular dance.

CARRIAGE AIDS

Any competitor found to be using artificial carriage aids, who subsequently refuses to remove same, will be subject to disqualification from that particular competition. Medically prescribed apparatus (proof of which may be required) will be exempt from this ruling.

EN-POINTE DANCING

No block or “en pointe” moves, stationary or moving, will be permitted to be performed by all ages up to and including Under 11 years of age.
